Advantage Crop Protection Inc. (ACPI) is a Canadian based company located in Regina and Saskatoon. Through its strong partnerships and strong connections into Asia, ACPI has capabilities to procure most post-patent Crop Protection Products. We are on the ground from the source manufacturer to the delivery to retail. With a long history of supply markets, ACPI will be able to give retails another option to obtain real post-patent products. Presently the retail trade is inundated with pseudo generics. Brands selling each others' products through licensing agreements and royalties. This does not make for competitive margins or supply choices for those that want to change their market position. ACPI owns its own labels, controls procurement and provides a true post-patent to the Ag retail. Nothing contained on this page, including the prices listed should be construed as an offer for and in sale, or a sale of products. All products and prices are subject to change at any time and without notice. Terms and conditions apply. ALWAYS READ AND FOLLOW LABEL DIRECTIONS. It is a violation of federal and provincial law to use any pest control product other than in accordance with its label. The distribution, sale and use of an unregistered pest control product is a violation of federal and/or provincial law and is strictly prohibited. We do not guarantee the accuracy of any information provided on this page or which is provided by us in any form. It is your responsibility to confirm prior to purchase and use that a product is labeled for your specific purposes, including, but not limited to, your target crop or pest and its compatibility with other products in a tank mix and that the usage of a product is otherwise consistent with federal, provincial and local laws. We reserve the right to restrict sales on a geographic basis in our sole discretion. You must have a valid applicator license and/or be a certified farmer, to use restricted and commercial pest control products (exceptions may apply based on province). Please consult your applicable provincial authority or complete rules and regulations on licensing, use, and recording keeping requirements of restricted and commercial pest control products.
